## **We have a huge selection**

The Material is crystal clear and produced with a thick, solid base. They are available in many pretty colours, shapes, heights, styles, so when the table is to be set for the festive occasions and beautiful drinks are to be served, it can be lightly done with our crystal clear plastik glasses and jugs - which also make the party more environmentally friendly.

The Products have been tested by independent laboratories, and when we say that the glasses are unbreakable, well that's because it is true! Products from glassFORever cannot break. no matter how crazy the christmas party will get.
